

# CAVE RUN SYMPHONY ORCHESTRA

## SOCIETY MEMBERS SOCIAL EVENT

Members of the Society are important to the success of the Orchestra. With two wonderful concerts under our belts, the CRSO now looking forward to the first full season. September 21, 2014 is not far away.

Your membership has value: first notice of special events, invitations to attend other musical events, eligibility for service on the Board of Directors, easy access to influence program content.

**Save the Date** A Dinner-Dance is in the works for late November 2015. Don Grant and his talented colleagues of the MSU Music Faculty will be there to provide some tunes for dancing, listening and watching. A scrumptious meal and action on fabulous auction gems are in the offing. Do not miss this get together.

Pre-Event Gatherings are also in early planning stages. Before certain attractive local musical offerings members will meet at local restaurants for beverages, light food. A chance to meet and greet other like minded folks. Be a part of this action.

**Be a volunteer:** We need volunteers of a number of short term tasks. Duties such as hanging poster, helping set up the staging, manipulate risers, pick up chairs, visiting businesses to secure program advertisements, placing directional signage before concerts, creating press releases, and--- you get the picture. We want all to be involved.

A vibrant Cave Run Symphony Orchestra will make Morehead and our entire region an even better place to live.
